Recommended package for www.yourdomainname.com

We have combined the packages based on our experience and client feedback. After reviewing your website falls under your domain name category and we have suggested the SEO jobs accordingly.

The below mentioned SEO jobs are suited best to the category and will certainly provide a good ROI.

The below packages is aimed to be spread over a certain duration within your budget of \$n amount per month.

The Estimated time will be considerably longer than the actual time take to do the job.

This is because we want the promotions to look very organic and do not want the links to be indexed by search engines in a bunch. If for any reason you need to speed it up please let us know.

Vile Silencer List Submission			
	Manual Submission to Vile Silencer List of 200 Directories		
	VileSilencer list of non reciprocal free directories is considered to be the best list of free directories on the net. They take extreme care to avoid spammy directories, MFA directories and low value directories. The list is updated frequently removing and adding the directories. It is an excellent compilation of SEO Friendly Free Directories voted by hundreds of SEOs. Some of our customers like us to take an entire year to complete to make everything look as natural as possible.

Google Knol Service Setup and 20 Submissions

* There are 3 types of license

Creative Commons Attribution 3.0 License
Creative Commons Attribution-Noncommercial 3.0 License
All Rights Reserved.

There are 3 levels of collaboration

Open collaboration model

- All signed in users may edit the knol

Moderated collaboration model

- All signed in users can suggest edits to the knol, but these need approval from an author before being published

Closed collaboration model

- Only owners and authors may edit the knol

Other users can also add comments, rate the knol and recommend it.

Links can be established to relevant webpage urls from the Knols.

Like Wiki, You can add references, Bibliography etc for a Knol.

Google Knol provides an excellent option to monetize your articles using Google AdSense which will be an additional financial benefit.

100 Forums, Site Resource Link Exchange and Blog Reviews Package

* We will come up with 10, 15 replies and reviews about your website and get your approval first before we start registering with forums and posts. We will need access to website to do link recommending and trading for the resource sites. We work with Yahoo! Site Explorer to explain this service and do a competitor analysis for your industry. We do all the preparatory work first and explain the step-by-step process.
